GRAPHENSTONE®

## Head Office – Kings Cross London

Graphenstone paints have been specified for 5 blocks of internal space in over 20 different colours and a mixture of products. Graphenstone was chosen for:

- Cradle to Cradle certifications
- Durability
- Provision of healthier indoor air quality for its employees

Products used	Ambient Pro+ & GCS
Project size	Just under 120,000m <sup>2</sup>
Architect	TP Bennett
Contractors	CJ Decorators
CO <sub>2</sub> (e) Saving *	Over 52 tonnes
CO <sub>2</sub> Absorbed **	3 tonnes

\* CO<sub>2</sub>e Saving is an approximate saving based on the EPD figures of a leading competitor.

\*\* CO<sub>2</sub> Absorption based on 5kg CO<sub>2</sub> absorbed per 15 litre tub of Ambient Pro+

## Testimonial

I hope this email finds you well, I am pleased to confirm we are now at the closing stages of our project with Facebook and being the first time I've used you I would just like to state how positive an experience with your company and team it was...

I had apprehension at first being a mineral paint and also using a new supplier on such an important project for our company but I simply couldn't fault your product or your company service.

I'm pleased to confirm our client is also extremely pleased with firstly the finish and also the fact that they have managed to contribute to the sustainability through their project.

Kind regards and Thanks again

**David Roach - Operations Manager - C J Decorators Limited**
